

# GREG TIVIS

AMERICA'S JAZZ  
STANDARDS  
NEVER  
SOUNDED  
BETTER!

Tivis puts the “swing”  
in the swing music of the  
Great American Songbook,  
playing the music of icons  
such as Sinatra, Nat King  
Cole, Glen Miller, and  
Ella Fitzgerald.

## GREG TIVIS - Entertainer!

Take the Great American Songbook and combine it with a great jazz pianist and you've got Greg Tivis. In the tradition of Frank Sinatra, Harry Connick, Jr., Michael Buble, and Diana Krall, Tivis is a renaissance man in his own right.

He has performed from coast to coast, playing before audiences with Jimmy Dorsey, The Ink Spots, Russ Morgan, Guy Lombardo, Wynton Marsalis, and many more.

He has played some of the finest hotels, ballrooms, and luxury cruise liners in the world.

His crisp, flowing articulation and distinctive swing style make this jazz artist a hard act to follow.

Together, the Greg Tivis Trio and fabulous female vocalist Kelsey Taylor will captivate your guests with their arrangements of songs like Moon River, Stardust, and Beyond the Sea.

Jazz vocalist Kelsey Taylor's magical charm, rich alto voice, perfect enunciation, flowing phrases, and passion for each song make her delivery of such standards as Mona Lisa and Bye Bye Blackbird an experience you will not soon forget.
